It complies with our obligations under the *Children's Protection Act 1993*, including: Section 8B – 8D – child safe environments and criminal history assessments for people working with children.

It also complies with the Child safe environments: Principles of good practice and Child safe environments: Standards for dealing with information obtained about the criminal history of employees and volunteers who work with children issued by the Chief Executive. (Section 8A, *Children's Protection Act 1993*).

3. Scope

- employees (permanent and casual)
- volunteers
- contractors
- sub-contractors
- work experience students
- indirect service providers
- any other individual involved in this organisation

Note: In this policy, the term "employee" is intended to cover all persons occupying any position listed above

4. Commitment to child safety

All children who come to TIDC performing arts studio have a right to feel and be safe. We are committed to the safety and well-being of all children and young people accessing our services and the welfare of the children in our care will always be our first priority. We aim to create a child safe and child friendly environment where all children are valued and feel safe.

This policy was developed in collaboration with all our employees, volunteers, the children who use our services and their parents.

5. Children's participation

TIDC performing arts studio encourages and respects the views of children and young people who access our services. We listen to and act upon any concerns that children, young people or their families raise with us. We teach children what they can do if they feel unsafe.

We ensure that children, young people and their families know their rights and how to access the complaints procedures available to them.

We value diversity and do not tolerate any discriminatory practices.

6. Recruitment practices

TIDC performing arts studio takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children. We employ a range of screening measures and apply best practice standards in the screening and recruitment of employees and volunteers. We interview and conduct referee checks on all employees.

We conduct criminal history assessment for people working with children, as set out in Section 8B of the *Children's Protection Act 1993*. Criminal history assessments are required for anyone within our organisation that:

- has regular contact with children and is not directly supervised at all times,
- works in close proximity to children on a regular basis and is not directly supervised at all times; or
- supervises or manages persons who:
 - have regular contact with children or
 - work in close proximity to children on a regular basis; or
- has access to sensitive records relating to children or young people.

Exemptions from this requirement may apply in some circumstances.

We ensure that criminal history information is dealt with in accordance with the Child Safe Environments: Standards for dealing with information obtained about the criminal history of employees and volunteers who work with children, issued pursuant to Section 8A, *Children's Protection Act 1993*.

7. Code of Conduct

All members are made aware of, and must abide by, our Code of Conduct. Our Code of Conduct was developed in collaboration with all our employees, volunteers, the children who use our services and their parents. (see page 10)

8. Support for employees and volunteers

TIDC performing arts studio seeks to attract and retain the best employees and volunteers. We provide support and supervision so people feel valued, respected and fairly treated. We ensure that employees/volunteers who work with children have ongoing supervision, support and training so that their capacity is developed and enhanced to promote the establishment and maintenance of a child safe environment.

Strategies we have implemented include:

- All new employees undergo induction and receive a copy of our child safe policy and code of conduct.
- All employees receive regular supervision sessions that include a focus on ongoing learning about child protection and other matters that affect children and young people.
- Continual guidance and updated information in regards to dance training.

9. Reporting and responding to suspected child abuse and neglect

TIDC performing arts studio will not tolerate incidents of child abuse.

All employees and volunteers understand their obligation to notify the Child Abuse Report Line on **13 14 78** as soon as practicable if they have a reasonable suspicion that a child has been, or is being, abused or neglected.

From time to time we provide opportunities for employees to attend information sessions about these mandatory reporting obligations (*Note: offering formal training for staff and volunteers is not a legal requirement*). We also ensure that employees have access to relevant information resources such as:

- Child safe environment: Guidelines for mandated notifiers and information for organisations (available to view or download from www.families.sa.gov.au/childsafe)
- Families SA reporting child abuse website: <http://www.dfc.sa.gov.au/pub/default.aspx?tabid=485>
- Free online SMART (Strategies for Managing Abuse Related Trauma) Learning package, developed by the Australian Childhood Foundation: www.childhood.org.au)

We ensure that support is also available for the employee making the report, particularly where an ongoing service is provided to the child, young person and their family.

Supporting children, young people and their families

Child Protection is everyone's responsibility. TIDC performing arts studio recognises that even where a report is made, we may still have a role in supporting the child or young person. This support may include:

- Referring the child, young person or their family to other appropriate services
- Displaying information about services that can assist children and their families (such as the Kids Helpline and Youth Healthline) in areas accessed by children and their families.

Dealing with reports or concerns relating to the actions of an employee or volunteer of our organisation

In addition to making a report to the Child Abuse Report Line, employees and volunteers must also report to the principal, Kerreane Sarti or management if reasonable suspicion is formed that a child has been, or is being, abused or neglected by another member, employee, or volunteer.

In response to any report to management concerning a member, employee or volunteer of this organisation, management may determine to take disciplinary action.

Other protective actions may also be introduced to ensure the safety of children and young people within our organisation.

10. Strategies to minimise risk

Policies and procedures –

- **Transportation** – it is the parent's responsibility to ensure that children are signed into the studio and picked up on time.
- **Taking images of children** – Due to child protection laws and privacy issues, we are unable to allow parents to take photos or videos of students during any Open Days or concerts.

TIDC may take photos of the students in dance costume or during class time – with the permission signed for by the parents – these photos may be used for advertising and or social media – if parents have consented to such.

Parents must indicate on their child's enrolment form if they Do or Do not give permission for their child to be photographed and for their

image to be used on the TIDC performing arts studio website or Facebook page or in school publications.

Please note that no names or other identifying information are used with photos on the website or in school publications.

- **Supervision of children** – children are under full supervision while in the classroom by the studio teacher – it is the parent’s responsibility to ensure the students care and safety outside of the classroom.
- **Complaints procedures** – see Code of Conduct below.
- **Physical contact** – see Code of Conduct below.
- **Responsibilities** – see Code of Conduct below.
- **Procedure for breaches of policy** – see Code of Conduct below.
- **Training\cyber safe guidelines**- Ensure that all social networking conduct is consistent with all of the policies contained in our student & faculty handbooks.
- **Protecting privacy and confidentiality**- Information pertaining to students and/or their families, whether financial, personal, or confidential, is never to be discussed with anyone other than the director. As a condition of employment, staff must and hereby do agree that all such information is the exclusive property of TIDC Performing Arts Studio and that they will not at any time disclose to anyone any such information, whether or not it has been specifically designated as “confidential.” If they are ever unsure of their obligations regarding this policy, it is their responsibility to consult with the director for clarification.
- **Procedures for dealing with situations where a member is being investigated for, or is charged with, a serious criminal offence.** See Code of Conduct below.
- **Body Stocking Policy** - It is a policy of TIDC Performing arts studio that body stockings be worn by students for all concerts, displays and competitions.
- **Toilet Policy** - If a child is unable to toilet themselves, parents are required to wait in the waiting room for the entire class so that they can assist their own child when the need arises. For those students that can toilet themselves and a parent cannot be located in the waiting room, class helpers will escort the child to the toilet and ensure their safe return to class, but due to child protection issues they will be unable to assist children inside the toilet cubicle. Parents are encouraged to discuss this policy with their children.

As a professional I believe that I am a part of a community of care. While working with children to develop their skills and appreciation of dance in a positive supportive environment, I am committed to their safety and wellbeing. I will treat them with respect and understanding at all times.

In order to ensure children and young people are kept safe from harm I will:

- Supervise the children at all times during dance lessons only.
- Ensure that any member of my staff with whom your child may come in contact is aware of child abuse and child protection.
- Ensure that no visitors or outsiders have contact with the children.
- Notify you if I am unable to teach your child/children.
- Only allow the child to go home with a nominated person for whom permission has been given.
- Notify the Department of Child Safety if I suspect or am told that your child is being harmed at home.
- Notify the police if I suspect or am told that your child is being harmed outside the home.
- Notify the Department of Child Safety if I am concerned that your child is self-harming.

11. Harassment/bullying

TIDC performing arts studio opposes all forms of harassment, discrimination, exclusion and bullying. We take this issue seriously and encourage anyone who believes that they, or another person, has been harassed, discriminated against, excluded intentionally or bullied to raise this issue with the principal, Kerreane Sarti or management.

12. Communication

TIDC performing arts studio will ensure that everyone to whom this policy applies is aware of and has had an opportunity to read the policy.

Child abuse affects the whole community, not just the child and family involved.

Child abuse is anything which individuals, institutions or processes do (or fail to do) which directly or indirectly harms children in the 'here and now' and /or damages their prospects of safe and healthy development into adulthood.

Stopping child abuse starts with us. Everyone including parents and caregivers, professionals, neighbours, workmates, families and friends, are needed to protect children and young people in our communities.

If you have any concerns about my Child Protection Policy and Risk Management Strategy please contact me on 0432 252 268.

Evaluation of these strategies and the development of additional strategies to minimise and control risks to children and young people occur as part of our ongoing risk management process.

16. Appendix 1: Conducting Criminal History Assessments

APPENDIX 1

CONDUCTING CRIMINAL HISTORY ASSESSMENTS

Assessments required for prescribed positions

All employees and volunteers of TIDC performing arts studio who occupy a prescribed position (as set out under Section 8B (8) of the *Children's Protection Act 1993* & *Children and Young People Safety Act 2017*) are required to undergo a criminal history assessment once every three-five years.

Criminal history assessments are also required prior to the appointment of new employees or members to prescribed positions.

Exemptions from this requirement may apply in some circumstances (see below). However TIDC performing arts studio retains the discretion to decide on a case-by-case basis whether any relevant exemptions will be exercised.

This requirement applies to all employees who regularly work with or around children in an unsupervised capacity or have access to prescribed records relating to children.

Procedure for conducting criminal history assessments

Note: The Children's Protection Act 1993 enables organisations to decide the manner in which they will conduct criminal history assessments. Please choose the option below that reflects the method of assessment that your organisation has adopted.

Option 1

A current Letter of Clearance (WWCC) from the Department for Communities and Social Inclusion (DCSI) Screening Unit is a precondition of engagement of employees and volunteers who work in a prescribed position at TIDC performing arts studio. The cost of obtaining a Letter of Clearance will be negotiated between TIDC performing arts studio and the employee or volunteer.

You can use your current, valid DHS/DCSI child-related employment screening until it expires (three year validity). When it is time to renew, you must apply for a Working with Children Check-5 year validity. (up to six months before your current screening expires).

Prior to the appointment of a new employee/volunteer and then at five yearly intervals, TIDC performing arts studio will direct the

employee/volunteer to obtain a Letter of Clearance from the Screening Unit as evidence that the applicant does not pose an increased risk of harm to children. Letters of Clearance are obtained for all current employees/volunteers who are working with children once every three-five years.

TIDC performing arts studio may obtain a further criminal history assessment for an employee/volunteer at any time that TIDC performing arts studio believes it necessary or desirable for the purpose of maintaining a child safe environment.

The informed written consent of the employee/volunteer is required prior to conducting a criminal history assessment. The Screening Unit's informed consent form is available from www.dfc.sa.gov.au/pub/screening.

Information relating to a person's criminal history and the assessment process is managed securely and confidentially and in accordance with the *Child Safe Environments: Standards for dealing with information obtained about the criminal history of employees and volunteers who work with children* issued pursuant to Section 8A of the *Children's Protection Act 1993*.

Option 2-expires 1 July 2020

A satisfactory criminal history assessment is a precondition of working in a prescribed position at TIDC performing arts studio.

National Police Certificate used to work or volunteer with children expire 1 July 2020 and the employee/volunteer must apply for a Working with Children Check before that expiry.

Where a person has no disclosable criminal history, the assessment is successfully completed and no further action in respect to an assessment is required.

Where an individual does have a criminal history, TIDC performing arts studio assesses this information in accordance with Standard 5 of the *Child Safe Environments: Standards for dealing with information obtained about the criminal history of employees and volunteers who work with children*.

Each assessment is conducted on its individual merits and with consideration to the inherent requirements of the position. Principles of procedural fairness and natural justice are applied throughout the decision-making process and the individual is provided an opportunity to confirm or dispute the information contained within the report and to provide contextual information for consideration during the assessment process.

The National Police Certificate will not be retained once a decision has been made regarding the person's suitability to work with children. The National

Police Certificate will not be retained beyond three months in any circumstances.

In accordance with its legal requirements, TIDC performing arts studio will retain the following information regarding its decision:

- That a criminal history report was obtained.
- How the criminal history information affected decision making processes.
- Statutory declarations (where applicable)

TIDC performing arts studio may obtain a further criminal history assessment for an employee/volunteer at any time that TIDC performing arts studio believes it necessary or desirable for the purpose of maintaining a child safe environment.

Other evidence

Where appropriate, TIDC performing arts studio may utilise a number of forms of evidence (obtained within the last three years) to assess a person's suitability to work with children. This includes:

A National Police Certificate that does not expressly state that it cannot be used as a clearance to work with children

A Letter of Clearance to work with children from the DCSI Screening Unit formerly known as a DCSI until it expires

A Letter of Clearance to work with children from the DCSI Screening Unit now known as a Working with Children Check

A valid and current interstate Working with Children Check.

Acceptance of other forms of evidence is at the discretion of TIDC performing arts studio and is subject to the person completing a 100-point check to confirm the true identity of the applicant.

TIDC performing arts studio may also at its discretion seek a statutory declaration for any *employee(s)* or *volunteer(s)* who have been citizens or permanent residents of a country other than Australia since turning 18 years of age.

Exemptions

The following organisations, persons and positions are exempt from the application of Section 8B of the Act:

- (a) an organisation that provides equipment, food or venues for children's parties or events and does not provide any other services;
- (b) a person who undertakes work on a voluntary basis to provide a service in his or her capacity as a parent or guardian of a child who is ordinarily provided with the service;

- (c) a person who undertakes work on a voluntary basis to provide a service and who is under 18 years of age;

- (f) a person who is a registered teacher (within the meaning of the *Teachers Registration and Standards Act 2004*);
- (g) a person who undertakes, or a position that only involves, work that is not for the exclusive benefit of children and is not provided to any child on an individual basis;
- (h) a position that only involves prescribed functions because children are employed or engaged to work as volunteers by the person occupying the position or by that person's employer;
- (i) a position in which all work involving children is undertaken in the presence of the children's parents or guardians and in which there is ordinarily no physical contact with the children.

18. Appendix 3: COVID 19 Important information and procedures whilst restrictions are in place (as at June 22, 2020)

APPENDIX 3

COVID 19 IMPORTANT INFORMATION & PROCEDURES WHILST RESTRICTIONS ARE IN PLACE (as at June 22, 2020)

How we plan to help Protect Your Children:

All cleaning is being increased to a daily basis as well as after each class.

We are disinfecting all surfaces in the studio on a daily basis before and after each use. This includes tables, chairs, and door handles, the switches for the studio lights, studio pens, stereos etc. and also the handles of the toilet doors.

We will be avoiding contact with students and within each other – no hand holding etc and keeping to the social distancing outlines.

All cups and cutlery will be removed from the common areas, please make sure you supply your child with a NAMED drink bottle.

The fabric hand towels will be replaced with paper towels, or alternatively supply one for your child – please make sure it is named.

We will have hand sanitiser available where we can, and this should be used on arrival and throughout the day/evening – **HAND WASHING IS STILL THE BEST WAY** and will also be encouraged.

Staff are aware of all requirements and will put these practises into place. Staff have also completed the Covid Safety Health Plan.

If a student, attends TIDC with any of the symptoms or is suspected to be feeling unwell, our team will immediately contact the parent/guardian and the student will be asked to wait in a separate room until they can be picked up. This is a pre-cautionary measure to ensure safety for all.

Teachers have also been recommended not to attend if they are ill or showing symptoms.

Please DO NOT send your children to dance if they are unwell – we can now connect them to the class via ZOOM where they can safely view the class and participate from the comfort of their own home if well enough.

Our team will work to provide updates for students who need to stay home so that they can maintain their input in classes.

It also should be noted that we are constantly monitoring COVID-19 and will keep you posted on any changes where necessary.

Please don't hesitate to contact us, should you have any questions.

If it deems necessary to close the studio down for a short time due to a reported case – all lessons will continue online via video. The studios will be given a professional clean, all under guidelines similar to those of the education department.

Parents will not be permitted into the studio or be able to access the waiting area.

If you need to enter the office or shop you can do so one at a time.

Any preschooler requiring extra care can approach Kerreane to arrange to wait in a safe area close by.

The café and shop will be open for orders only – these must be handed in to the teacher on pick up and they will given to the shop who will prepare them for the given time. All safety procedures will be adhered to.

Social distancing – we will have markers both outside the studio and inside the studio to assist with this. Please also discuss the importance of this with your children.

Separate entrances will be listed for all classes, some classes may also have a slight difference in start and finish of classes to ensure there is not build up of students.

If students have long breaks they may be required to be picked up during breaks (although we are trying to sort some of these out), we will not be encouraging any waiting in the foyer areas, alternatively they will need to sit in class – there will be no available waiting areas.

The waiting area will be kept clear and younger students breaks will be in the studio with a teacher present.

When waiting outside for the teacher to meet students for classes, please respect social distancing and do not hang around the studio – drop and run is preferred in all instances, or sit and wait in the car.

Our teachers have met several times and understand the requirements, and have also completed the COVID SAFE PLAN.

Any parent needing to come into the shop or studio will be required to sign in – sign in sheets will be at the door – this is limited to one person at a time and only if necessary.

Teachers will continue to have a full record of all children attending class but continuing to take the roll.

Students will be bought out in small groups at the end of class – please be patient and DO NOT hang around the studio entrances – again waiting in the car until you see your children is preference.

How you can help Protect others

There are several ways we can all help each other, students will be spoken to about all these precautions.

Coughing or sneezing will make us all nervous. However, if you have to merely clear your throat, please practice cough etiquette by coughing well into the inside of your elbow (not on your hands which may then go and touch a door handle) or into a tissue which is then discarded.

*When using the bathroom please wash hands thoroughly with soap for a period of 20 seconds (or sing happy birthday whilst doing so).

*Use our Studio Hand Sanitiser which we will be available to you upon arrival and insist you apply or to those allergic we will ask them to wash their hands (while supplies last – or wash hands thoroughly).

*Bring your own equipment, drink bottles, hand towels, gym mats etc - ALL NAMED.

*If unwell please stay away – all teachers will be videoing and posting work and you can stay in touch that way – also remember to use Movitae, feel free to ask teachers questions to keep up to date.

*Please limit bag size to bring to the studio as these will now remain with the students so a small shoe bag and drink bottle are the preferred option. We do understand some

students are coming direct from school, but where possible please come to the studio ready for class. School bags will remain in the bag area until the student leaves.

*It is preferred students arrive **READY FOR CLASS**, as the change areas are currently closed off and limited access.
To Help You Protect Yourself

*Do not touch your eyes, nose or mouth unless you have just washed or sanitised your hands. And better still, just do not touch these areas with your hands.

*Be aware that, if you've used sanitiser, that whenever you go on to touch a door handle, a book or any other surface, your germ free hands can no longer be guaranteed, so re-sanitise your hands regularly, or use clothing for example on door handles to open them, helping to keep your hands germ free.

*wash your hands frequently with soap and water, before and after eating, and after going to the toilet.

*cover your cough and sneeze, dispose of tissues, and use alcohol-based hand sanitiser.

*and if unwell, avoid contact with others (stay more than 1.5 metres from people) or stay home.

Further advice from Government Health Authorities

*Any child, student or family member who has travelled overseas or interstate must self-isolate for 14 days after leaving the high-risk country.

*Close contacts of a confirmed case of COVID-19 must self isolate for 14 days since last contact with the confirmed cases.

*All returned travellers who develop symptoms (especially fever and cough) within 14 days of returning from anywhere overseas should seek testing for COVID-19, and self-isolate while waiting test results.

*Any confirmed case of COVID-19 will be excluded from dance until medically cleared to return – classes will be offered via video.

*Students, staff and parents who have returned to Australia from anywhere else overseas and have not symptoms are able to still attend classes.

In addition, if your child is unwell with respiratory illness they should remain at home until symptoms resolve.

Important to Remember

While coronavirus is of concern, it is important to remember that most people displaying symptoms such as fever, cough, sore throat or tiredness are likely suffering with a cold or other respiratory illness—not coronavirus.
